FAITHFUL FRIAR

Easter Trust 2010

Scripture says, God's ways are not like ours. As far as the heavens are above are God's ways above ours.

Who, standing at the Crucifixion, would have thought anything good could possibly come from such a horrible scene.

The Crucifixion became a good thing rather than a meaningless execution because of trust. Jesus prayed.

“Let this cup pass me by...

Yet, not my will, but Thine be done.

It was his trust in God that made the Crucifixion the greatest act of love the world will ever know. And It was trust that enabled the Resurrection

God is aware of our personal situations. In difficult times trust God. He will bring good from what troubles us.

Consider the suffering of two great Saints, Bernadette of Lourdes and Therese of Lisieux. These two beautiful and innocent souls suffered greatly for reasons known only to God.

Through it all, they trusted.

Suffering is a Mystery. We will never understand, the WHY. When troubled, pray with confidence.

“Jesus, I Will Not Be Afraid, I Put My Trust In You.”

From An Interview With A French General For Lourdes Magazine

June-July 1996 issue

Question:

General, what is the secret of your inner liberty?

Answer:

The blessed mother educates me to live the word of her son. My secret is Mary. I have taken her into my home, as the crucified has asked each one of us. And it is Mary who inspires my actions and my thoughts. Quite simply, she is my mother and I love her.

Fourth Degree Raising Money for Incarnation Dome

From <http://www.kofc.org/un/eb/en/members/fourth/dome.html>

Fourth Degree Knights are raising funds to offset the cost of the Knights of Columbus Incarnation Dome at the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C.

The Order committed \$1 million to the dome, which was dedicated Nov. 17, 2007, and is challenging Fourth Degree assemblies to raise half of this amount.

Faithful navigators have mobilized their assemblies to fulfill this pledge, which is already off to a good start.

As of mid-February, Knights have raised more than \$65,000 toward their \$500,000 goal. A majority of the funds has been donated by Fourth Degree assemblies, though Knights have also received money from individual donors and from K of C councils with which the assemblies are affiliated.

The drive began at the beginning of the 2007-08 fraternal year, when Fourth Degree Supreme Master Joseph P. Schultz sent a letter to new and reelected faithful navigators urging their support. In it, Schultz called the project a “unique opportunity to show our support for our National Shrine....”

Since then, Sir Knights have worked feverishly to get the program up and running. As an incentive to participate, each assembly that contributes \$1,000 or more will receive a photo of the finished dome on a personalized plaque.

The Incarnation Dome features in mosaic four biblical passages related to the incarnation of Jesus Christ. The Order has supported the National Shrine in various ways for nearly a century.

In 1957, it financed construction of the shrine's bell tower, dubbed the “Knights' Tower.” The Order has also provided funds for a carillon of 56 bells and for various other projects.

For more information on the program, contact the office of the supreme master at 203-752-4437 or e-mail dome@kofc.org.
